Come join many of the country's top clinicians along with the premier cosmetic reconstructive dental laboratories for this **3 WEEKEND/ 8 DAY LIVE PATIENT** program. These dentists and laboratories have presented this program for the past 10 years and are renowned leaders in this area of dental education.

*Creating A Passion For Dentistry*

## Aesthetic Masters

*presented by the School of Dental Medicine / UNLV*

### Weekend #1: September 25-27, 2009

Advanced Occlusion, Diagnosis and Treatment Planning

### Weekend #2: October 23-25, 2009

Advanced Smile Design and Full Mouth Preparation

### Weekend #3: November 20-21, 2009

Advanced Case Delivery and Finishing

In this power packed 3 weekend course, you will treatment plan and treat a full mouth rehabilitation under the guidance of a clinical mentor. Each participant will prepare and restore 20 units at the course.

You will learn the latest techniques in bonded ceramics, smile design, and how to achieve a comfortable, stable occlusion resulting in the ultimate beauty and function.
